

### Comforting Words

Many a Barre Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney-sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Barre readers.

M. L. Spaulding, painter, 16 Seminary street, Barre, Vt., says: "I had more or less kidney trouble for four or five years and I think it was the result of the conditions to which I am subject at my work. At night my back ached terribly and I could not sleep well. There were dark spots before my eyes at times and too frequent passages of the kidney secretions plainly proved that my kidneys were at fault. The contents of two boxes of Doan's Kidney Pills, procured at E. A. Drown's drug store, disposed of all these troubles, and I have only had to take this remedy once since then. At that time I found prompt relief from an attack of backache. I take pleasure at all times in vouching for the merits of Doan's Kidney Pills, and I gladly confirm the public statement I gave in their favor some three years ago."

For sale by all druggists. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States of America. Remember the name—Doan's—and take no other.

### LIKE FINDING MONEY

D. F. Davis Offers Popular Medicine at Half Price.

D. F. Davis, the popular druggist, is making an offer that is just like finding money, for he is selling a regular 50-cent bottle of Dr. Howard's celebrated specific for the cure of constipation and dyspepsia at half price. In addition to this large discount, he agrees to return the money to any purchaser whom the specific does not cure.

It is quite unusual to be able to buy fifty-cent pieces for a quarter, but that is what this offer really means, for it is only recently, through the solicitation of Druggist D. F. Davis, that this medicine could be bought for less than fifty cents. He urged the proprietors to allow him to sell it at this reduced price for a little while, agreeing to sell a certain amount. The result has justified a sound judgment, for the sale has been something remarkable.

### Orrine Saves The Drunkard

Wives and Mothers Will Be Glad to Know About This Reliable Treatment—Can Be Given Secretly.

An Opportunity to Try It at Our Expense.

ORRINE is the standard remedy and is everywhere recognized as the most successful and reliable home treatment for the "drink habit." It is highly praised by thousands of women, because it has restored their loved ones to lives of sobriety and usefulness, and the weekly wages which at once time were spent for "drink" are now used to purchase the necessities and many comforts for home. Any wife or mother who wants to save her husband or son from "drink" will be glad to know that she can purchase ORRINE from Burt H. Wells, and if no benefit is obtained after a trial we will refund the money. We make this liberal offer because we believe that ORRINE will prove an efficient aid in restoring the "drinking" husband or "drinking" son to a life of sobriety and usefulness. We are glad to bring this message of hope to the wives and mothers of drinking men. We want them to avail themselves of the opportunity to give this wonderful remedy a trial at once. Accept our liberal offer—to-day.

Walter K. Schmidt Co., the well-known druggists of Grand Rapids, Mich., have been selling ORRINE a number of years. Read what they say:

"For a number of years we have been agents for ORRINE. During that time we have had occasion to be convinced beyond a doubt that ORRINE is a reputable remedy, worthy of recommendation. One of the many cases coming to our attention, a mechanic earning \$22.50 per week, who had not taken a full pay envelope home for over five years, was induced to try ORRINE, a complete cure being the result. The man became worth more to his firm, receiving an advance in pay, and has purchased a home. The house stands there, showing the merits of ORRINE. We cannot help but feel that we were most fortunate when we secured the agency of this reliable liquor cure."

ORRINE is prepared in two forms. No. 1, secret treatment, a powder, absolutely tasteless and odorless, given secretly in food or drink. ORRINE No. 2, in pill form, is for those who desire to take voluntary treatment. ORRINE costs only \$1.00 a box. Write for free ORRINE booklet (mailed in plain sealed envelope) to ORRINE Co., 336 Orange building, Washington, D. C. ORRINE is recommended and is for sale in this city by Burt H. Wells, 160 North Main street, Barre, Vt.
